Republican Sid Saab will fight to lower taxes and cut government waste

Republican Sid Saab is tired of seeing families, jobs and businesses leave Maryland because of high taxes and wasteful government spending. He will fight against the liberals' tax-and-spend agenda.

CUTTING WASTE

Governor O'Malley and the liberal politicians have increased spending by \$10 billion. They also spent \$194 million of taxpayer money to fund Obamacare — including the failed website. And we have nothing to show for it.

A conservative Republican:

- Vote 100% pro-life
- Anti-Obamacare
- "AQ" rating from the NRA
- Protect our property rights
- Support term limits

Conservative Sid Saab will cut government waste. He will work to find reforms that improve healthcare and keep government bureaucrats off our backs.

LOWERING TAXES

Every year, the liberals introduce and pass new taxes to help fund their out-of-control spending.

Sid Saab will stand up for our fiscally conservative values. As our Delegate, he will vote NO on all tax increases.

Our conservative voice in Annapolis.
